Thank you for financing our future!

Mission

Compassion Katy's purpose is to understand circumstances and meet tangible needs to bridge gaps for the under resourced in the Katy ISD community through collective partnerships.

We will engage and activate people and organizations to alleviate hardship and those under-resourced; elevating hearts, minds and spirits, empowering people to move forward with purpose and hope.

Our Approach

Compassion Katy is a non-profit 501c (3) that serves the community under three strategic pillars:

BUILD

Build and coordinate a coalition of charities and organizations to connect resources to the under-served.

UNITING

Unite a network of volunteers and donors to serve and fund-raise for the cause year-round.

EMPOWERING

Empower Katy children and families through direct outreach, including disaster relief, Katy Color Run and Operation Back 2 School.

Partnering with Compassion Katy for Operation Back 2 School enables our students to start the school year dressed for success! We know the supplies and services the students and families receive are a positive impact on overall student performance and well-being. We are thrilled to partner with Compassion Katy!"

Testimonials

"Compassion Katy came at a time where we needed help the most. Not only did they supply our 3 daughters with needed school supplies, they became a physical and an emotional support system to my entire family."

Trisha, G. is a Katy ISD parent who was a recipient of Operation Back 2 School.

Her family was one of 400 families identified by Katy ISD as economically challenged in the one school we helped.

"Compassion Katy showed us that our community does care. They invited us to this event during a hard year when we needed it the most. We had no idea there were so many resources available to us, and we are so thankful for the resources, the supplies and the love shown to us today"

A single mother of 3 that was affected by Hurricane Harvey who participated in Operation Back 2 School in 2018.
